

## Customized 18650 Electric Bike Battery Pack Rechargeable Silverfish 36v 10ah 48V

Our Product Introduction

for more products please visit us on [enookbattery.com](http://enookbattery.com)

### Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: IC
- Model Number: Lifepo4 Battery

### Product Specification

- Size: Customized
- Recommended Storage Temperature:  $23 \pm 5^{\circ}\text{C}$
- Battery Name: Silver Fish Ebike Battery Lithium Battery Pack
- Battery Type: Lithium Ion
- Estimate Weight: Customized
- Case: Sliver Fish
- Voltage/Capacity: 48V 36V
- Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike
- Highlight: **Electric Bike Battery Pack 48V ,  
18650 Electric Bike Battery Pack ,  
18650 Battery Pack 36v 10ah**

### Product Description

**Customized 18650 36V 48V Battery Pack Rechargeable 18650 Silverfish 36v 10ah Electric Bike Battery Pack 48V**

## Product Description:

Product Overview: Silver Fish Ebike Battery

The Silver Fish Ebike Battery is a state-of-the-art lithium battery pack designed for electric bikes. Its slim and compact case, along with its sleek silver color, makes it a perfect fit for any e-bike design. With a recommended storage temperature of  $23 \pm 5^{\circ}\text{C}$ , this battery is built to withstand various weather conditions, ensuring its reliability and longevity.

Key Features

Case: Silver Fish

Color: Silver

Recommended Storage Temperature:  $23 \pm 5^{\circ}\text{C}$

Estimated Weight: Customized

Battery Name: Silver Fish Ebike Battery Lithium Battery Pack

Advanced Battery Technology

The Silver Fish Ebike Battery is powered by a 3.2V 202Ah lithium ion battery, making it one of the most powerful ebike batteries in the market. Its high capacity and long-lasting performance ensure a smooth and efficient ride every time. Additionally, this battery also features a 3.2V LiFePO4 battery, known for its exceptional safety and stability, providing peace of mind for riders.

Customizable Weight

The estimated weight of the Silver Fish Ebike Battery can be customized to meet the specific needs and preferences of different e-bike models. This allows for a more personalized and optimized riding experience for each individual user.

Long-lasting Performance

The 3.2V 202Ah lithium ion battery pack used in the Silver Fish Ebike Battery is designed for durability and longevity. With proper care and maintenance, this battery can provide consistent and reliable performance for years to come.

Conclusion

The Silver Fish Ebike Battery combines advanced battery technology, customizable weight, and long-lasting performance to provide the ultimate power source for electric bikes. With its sleek design and impressive features, this battery is a must-have for any e-bike enthusiast looking for a high-quality and efficient riding experience.

### Welcome OEM

- “Customized” battery voltage, capacity, size and case.
- “Customized” BMS charging and discharging current, balance function with communication protocol, etc.
- “Customized” connect plug and socket cable, waterproof
- “Customized” special battery packs for any applications

### QUALITY

Authoritative review  
CE, UL, SGS, FCC, ROHS,  
and ISO9001:2000  
certified

### EXPERIENCE

We have been in lithium  
battery pack for more  
than 10 years

### EQUIPMENT

Silver Fish 48V 36V 10Ah  
15Ah 20Ah ebike bicycles  
battery case 18650  
Lithium Ion Battery Pack

Features:

Product Name: E Bike Battery  
Battery Type: Lithium Ion  
Recommended storage temperature: 23 ± 5°C  
Estimate Weight: Customized  
Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike  
Size: Customized  
3.2V LiFePO4 Battery  
3.2V 202Ah Lithium ion battery  
3.2V LiFePO4 Battery 2nd Life  
2nd Life 3.2V 202Ah Battery

Technical Parameters:

Specification	Value
Battery Name	Silver Fish Ebike Battery Lithium Battery Pack
Battery Type	Lithium Ion
Size	Customized

Voltage/Capacity	48V 36V
Application	Electric Bike/ Bicycle/ Motorcycle/ Ebike
Estimate Weight	Customized
Color	Silver
Case	Silver Fish
Recommended storage temperature	23 ± 5°C
3.2V 202Ah Lithium ion battery	3.2V LiFePO4 Battery
3.2V 202Ah Lithium ion battery	3.2V 202Ah LiFePO4 battery

## Features

We are a lithium battery manufacturer, so we can provide you with customized services;  
The capacity and dimension can customize according to your request:

- 01** Customized battery size and shell material
- 02** Customized BMS charging and discharging current
- 03** Customized connect plug and socket, connector wire

[product name] : Lithium battery case	[shell material] : Aluminum alloy
[Applicable voltage] : 48V	[Product color] : Silver black
[Scope of application] : Suitable for many brands of 48v lithium battery casings on the market	

## Applications:

E Bike Battery - enook Lifepo4 Battery

Brand Name: enook

Model Number: Lifepo4 Battery

Place of Origin: china

Certification: IC

Case: Sliver Fish

Voltage/Capacity: 48V 36V

Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike

Estimate Weight: Customized

Recommended storage temperature: 23 ± 5°C

The enook Lifepo4 Battery is a reliable and high quality battery designed for electric bikes, bicycles, motorcycles and ebikes. With its 3.2V LiFePO4 Battery, 3.2V 202Ah Lithium ion battery and 3.2V 202Ah Lithium ion battery pack, it provides a long lasting and efficient power source for your electric vehicle.

The enook Lifepo4 Battery is perfect for various applications, such as commuting to work, exploring the city, or even off-road adventures. Its lightweight and compact design makes it easy to install on any bike or motorcycle, and the Sliver Fish case ensures durability and protection against external elements.

This battery is also IC certified, ensuring its safety and reliability. With a voltage/capacity of 48V 36V, it can provide enough power for a long ride, and its customized weight makes it suitable for different types of electric vehicles.

The recommended storage temperature for the enook Lifepo4 Battery is 23 ± 5°C, ensuring its optimal performance and longevity. So whether you're a daily commuter or an avid cyclist, the enook Lifepo4 Battery is the perfect choice for your electric vehicle needs.

## Applications

### Our products have a very widely range of use

**A**

The battery pack can be used in electronic vehicles, tricycles, ebike, solar energy storage system, camper, cans, electronic boat, marine ship etc.,

**E-Scooter**

**Balance E-scooter**

**E-Bike**

**E-Motorcycle**

**Golf Cart**

**RC Drone**

**Solar Street Light**

**SolarWind Energy**

**Mobile Headlight**

**Waterpump**

**Power Tools**

**Stereo Set**

**B**

We use high quality cells, such as 18650 21700 or Lifepo4 batteries, we use different cells for different applications

**C**

We have been in lithium battery pack for more than 10 years and know how to provide you the right solution for you. Just let us know your detail application and request then we will choose the best solution for you.

### Customization:

E Bike Battery Customization Service for enook

Brand Name: enook

Model Number: Lifepo4 Battery

Place of Origin: China

Certification: IC

Recommended Storage Temperature:  $23 \pm 5^{\circ}\text{C}$

Battery Name: Silver Fish Ebike Battery Lithium Battery Pack

Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike

Size: Customized

Battery Type: Lithium Ion

Key Features

3.2V LiFePO4 Battery

3.2V LiFePO4 Battery

3.2V 202Ah Lithium ion battery

At enook, we understand that every customer has unique needs for their electric bikes. That's why we offer a customizable battery service for our Lifepo4 Battery model, proudly made in China and certified by IC.

Our Silver Fish Ebike Battery Lithium Battery Pack is suitable for a variety of applications, including Electric Bikes, Bicycles, Motorcycles, and Ebikes. We also offer a customizable size option to fit your specific requirements.

Our Battery Type, Lithium Ion, provides long-lasting power for your electric bike with its 3.2V LiFePO4 Battery and 3.2V 202Ah Lithium ion battery. With a recommended storage temperature of  $23 \pm 5^{\circ}\text{C}$ , you can trust that our batteries will perform at their best in any condition. Choose enook for your E Bike Battery needs and let us customize the perfect solution for you. Contact us now to learn more.

## Products Display

Battery Name	silver fish ebike battery lithium battery pack
Nominal voltage	48V 36V
Nominal Capacity	10Ah Can be customized
Standard discharge current	0.2C
Max discharge current	1C
Standard charge current	0.2C
Fast charge current	0.5C
Over discharge cut off voltage/series	$2.4 \pm 0.06V$
Over charge protection voltage/series	$4.25 \pm 0.03V$
Discharge working temperature	-20-60°C
Charge working temperature	0-45°C
Recommended storage temperature	$23 \pm 5^{\circ}C$
Weight	about 4.2Kg
We will different cells for different applications.	

### Packing and Shipping:

E Bike Battery

Packaging and Shipping

Each E Bike Battery is carefully packaged in a durable box to ensure safe delivery.

The box is labeled with the product name, specifications, and handling instructions.

For international shipping, the box is also marked with all necessary customs documentation.

The E Bike Battery is wrapped in protective material to prevent any damage during shipping.

Shipping options include standard ground shipping or expedited shipping for an additional fee.

Customers will receive a tracking number once their order has been shipped.

For bulk orders, a pallet or crate may be used for shipping to ensure safe delivery of multiple batteries.  
All shipping materials are recyclable and environmentally friendly.

## PACKAGING

### PACKAGING

### Shipping by

**Professional suggestion to choose the best shipping delivery (Such as EMS DHL TNT UPS and FEDEX) for your commodities according to your demand.**

## Company Introduction

ChangSha Enook Technology Co., Ltd located is an outstanding solution service provider in Lithium Battery Management System(BMS) industry, focusing on the R&D, design, production and sales of Apexium DIY kits, BMS and battereis for more than 15 years. With its strength, it can provide customers with first-class software and hardware devel- opment and after-sales services.

Quality first is our principle,Satisfying all our customers is ourtenet,win-win business is our aim.Dedicated to strict qualitycontrol and thoughtful customer service,our experiencedstaff members are always available to discuss eachdetailed requirements from customer and ensure fullcustomer satisfaction.

In addition,we have obtained certificates.MSDS UN38.3MSDS, ROHS,UL.ect. All our products keep selling wellnot onlyaround China, but also inUSA, Philippines, Germany, EnglandAustralia, Russia, France and other European and Asia countries Fast delivery is one of our advantage,selecting a currentproducts from catalogue,or customized products,3~5days isthe normal time to prepare for the goods,OEM & ODM orderscan be acceptable.

Please don't hesitate to contact us if you have any requirement, we'll provide our best service to you.
